Dear Mr. President,

We are deeply concerned by the events that have been taking place beyond our eastern border for last several days. As an community, we condemn Russia's treacherous and unjustified attack on the defenseless people of Ukraine.

On behalf of Polish Baseball and Softball Association, I declare that we currently do not see the possibility of sports competition with the teams of Russia and countries supporting aggression against Ukraine.

In the face of this extraordinary tragedy, we are not indifferent to the victims of the conflict and we will do our best to support our Ukrainian friends.

Best regards,

Paweł Szczepanik
President
